# Highlights

---

- Canvas will contain lecture slides, assignments, solutions and useful information
- Primary teaching mode: In-person lectures (Tues – Thursday 5:45 – 7), zoom access (through Canvas) to lecture slides – suboptimal audio/video
- In-person tutorials on Collaborate (Wed 10 - 12) zoom access (through Canvas)
- Use Piazza for communication purposes
- Use Email to ask any questions on lectures/course material (reza@ece.ubc.ca)
- Extensive use of CAD tools to learn design process (synthesis, simulation, layout), make sure your access to tools early on (contact IT for issues before Sep 18<sup>th</sup>)
- Don't miss tutorials!
